

Love Coffee? Love Making A Difference for Others?

welcome to...

bean by bean

Bean by bean is a local, direct trade company, based in Jenison, Michigan. They pay fair trade prices for quality single origin beans to coffee cultivators in Central America who, in the past, have not received fair pricing or exposure to larger markets. With the exception of the decaf coffee, every bag comes with a name, face and story of those who made it possible.

Innocademy is partnering with bean by bean to create an ongoing fundraising opportunity that would provide our families and friends the opportunity to enjoy wonderful coffee while supporting a great cause and our school.

By keeping the opportunity to purchase coffee open all year, Innocademy students are able to continually add to their account for future field experiences. With every bag of coffee purchased from the Nasario Family Harvest of Nicaragua (dark roast beans or ground, medium roast beans or ground and hazelnut beans are \$10 per pound), students will earn \$1.50. For every bag of coffee purchased from the 50 families working together in the El Porvenir Region of Nicaragua (organic dark roast beans or ground, organic medium roast beans or ground and decaf beans or ground are \$11 per pound), students will earn \$2.00!

*Today we are sending home an order form with your students. Bean by Bean will always do their best to process your order and get it to your student within 1 week. What a great gift for mother's/father's day! Please send both the order and payment (checks payable to Innocademy) to school with your student whenever you wish. If you would like the order for Mother's Day (May 10th!), please send in the order and payment, by **Wednesday, April 29th**. If you should need additional order forms throughout the year, please visit our website at www.Innocademy.com to print one from the "Parent Resources" page or simply send an email to Leisa at leisa.lobbezoo@innocademy.com and she will send one home with your student.*

If ever you have questions regarding this fundraising opportunity, please contact Leisa at leisa.lobbezoo@innocademy.com or 616-446-1486. If you would like to learn more about bean by bean, please consider visiting their website at www.beanbybean.com.
